Branding and Visual
Identity Guideline

2025

CONTENT

The package you are currently looking through is a guide which lays out the corporate identity standards for **GLOBAL WELLNESS DAY**, a branded special day. The purpose of this package is to provide guidance for brands which would like to support **GLOBAL WELLNESS DAY** regarding graphic design and production, so that this special day is celebrated with the same visual codes and standards to create a branding unity throughout the world.

This guide starts with brand idea and slogan, continues with the visual identity guideline, and finishes with the details of promotional materials. We hope that this guide helps you to add value to your brand's **GLOBAL WELLNESS DAY** promotional activities.

INTEGRATED WELLNESS

Global Wellness Day is an international day that is celebrated on the second Saturday of June every year as a public event which turns everyone's shared dream of 'living well' into reality. GWD has no relation to **ANY** institution or **ANY** organization and it is without **ANY** commercial purpose.
