GLOBAL WELLNESS DAY®

*"One day, can change
your whole life!"*

Celebration Steps

FIRST OF ALL, THANK YOU

Hello,

Thank you for joining us in our journey to bring the awareness of wellness to every corner of the world. The world needs people/brands that volunteer and dedicate themselves to spread this vital message.

Global Wellness Day is a single day, as the name suggests. However, this global movement is an integrated philosophy, proving that we can live each day like **Global Wellness Day**. As part of the movement, you can organize brand-specific celebration rituals throughout the year within the framework of this idea.

All you need to do is to carefully read through the following four steps and adapt them to your institution/company.

STEP 01

Adopting the Philosophy

GLOBAL
WELLNESS
DAY®

- Global Wellness Day is a global movement without any commercial purposes. Therefore, the brands supporting GWD cannot aim any commercial profit.
- Global Wellness Day is a timeless, placeless social responsibility activity – entirely independent from age segment and income status. Everyone has the right to live well. So the doors of GWD are open to everyone.
- Global Wellness Day is a branded special day. There is a systematic **Branding and Visual Identity Guideline** of GWD. It is important that you follow the visual standards indicated in the guide while you support GWD.
- At the same time, Global Wellness Day is freedom and open to any creative findings that you may discover with your own brand.

STEP 02

Meeting and Introduction

GLOBAL
WELLNESS
DAY®

- The first step to be taken by a brand to support GWD is taken within the brand itself. First, tell your entire team that you support GWD.
- Then spread your support to your network.

- About Richmond Nua:** A text block describing the spa's atmosphere and services, including a paragraph about "Destination Spa" and its location in Sapanca, Turkey.
- Accommodated Programs:** A section featuring a photograph of a spa interior and a text prompt asking if the user would like a new beginning with attractive and beneficial accommodation packages, with a "More Information" link.
- Global Wellness Day:** A section with a pink circular icon that says "I SAY YES!" and text stating that Richmond Nua Wellness-Spa is supporting Global Wellness Day, with a "More Information" link.
- TRUSTSCORE:** A badge showing a "Very Good" rating of 85 based on 1,354 reviews, with the TrustYou logo.
- Newsletter:** A section inviting users to subscribe to the e-newsletter to hear from Richmond Nua Wellness Spa, with a "Register" button.

The footer of the website includes navigation links (Site Map, Human Resources, Press Room, Rewards, Contact Us), location links (Richmond Istanbul, Richmond Nua Wellness-Spa, Richmond Ephesus Resort, Richmond Pamukkale Thermal), social media icons (Facebook, Twitter, Instagram, LinkedIn, YouTube, YouTube, YouTube), and the Richmond International logo.

- If you like, you can turn the supporter logo into an industrial design object and use it everywhere from your office to the buildings and stores representing you.*
- The material used for the “I Say Yes!” paddle depends on your budget and creativity.

*Please keep in mind that it's forbidden to sell any product with GWD logo on it.

STEP 03

Consistency of Communication

- Disseminating an idea is only possible through sustainability, stability and consistency.
- To this end, you can include GWD agenda in your process of communication throughout the year and consolidate the relationship between GWD and your brand.
- Remember to share the posts of the GWD social media accounts on your personal/corporate ones as well.
- Produce the **“I SAY YES”** paddles which are included in the **GWD Branding and Visual Identity Guideline** in your own region. Occasionally take the photos of your team and the different people contacted by your brand with the paddle. Then share the photos on your social media.

- Produce a poster or roll-up demonstrating the 7 Step Manifest of GWD. Use these materials at various events to be organized throughout the year.

Turkey's Gift to the World
GLOBAL WELLNESS DAY

Saturday, June 14, 2025

Global Wellness Day, launched in 2012 in Turkey with the mission to live well, is now a special day celebrated on the **2nd Saturday of June** every year in **7 continents** and in over **170 countries** around the world.

7 Continents **170** Countries

Sleep at 10:00 PM. Walk for an hour.

**GLOBAL

 DAY®**

- In your PR activities indicate that your brand supports GWD.

- Use the promotion items designed with the GWD 7 Step Manifest at the mobile communication events you attend as a brand such as panels, bull sessions and roadshows.

7 STEP GWD MANIFEST

In order to make Wellness a lifestyle, Global Wellness Day aims to adopt the following seven simple steps. Even if one can't implement all of the steps all at once, what is important is to incorporate at least just few of them into your daily life on a regular basis.

1

Walk for an hour

2

Drink more water

3

Don't use plastic bottles

4

Eat healthy food

5

Do a good deed

6

Have a family dinner with your loved ones

7

Sleep at 10 pm

STEP 04

Organizing Events and Communication

- The answer to the question “Can we organize a GWD event regardless of its size?” is Yes!
- Can we celebrate GWD in a special way using different methods and brand opportunities even if we do not organize an event? The answer is, again, yes.
- The format and how you will celebrate GWD depends on your business sector, budget and institutional/corporate opportunities.

Let's begin with the actions that any brand can take:

- Create an e-mail design work both celebrating GWD and indicating the actual date of the event. (2nd Saturday of June) Send the e-mail to the members of your organization, your customers and strategic partners.

- Promote the day on your website and the institutional/corporate social media accounts. Make sure that maximum number of people become aware of the day.
- Design materials to celebrate the day: leaflets, posters, e-signatures, etc. Include the GWD 7 Step Manifest in these items. Use the items during the day and extend the message.
- If your project budget allows, you can benefit from the “ATL” (above the line) communication during Global Wellness Day. By using magazine, newspaper and internet ads, you can both extend the GWD 7 Step Manifest and declare your institutional/corporate support to the project.
